ASSEMBLY

1. Unfold Frame (B) and place it on a level surface.
2. Affix Top Ring (A) to the frame, as shown.
3. Hand-tighten the wing nut on the bottom of the frame.

USE & CARE

- Choose a flat, level location to place the stand.
- Avoid high-traffic areas such as locations where children and pets play.
- Occasionally check the wing nut on the bottom of the frame to ensure it is intact.

CLEANING

Wipe the stand down with warm water and a soft cloth.

⚠ IMPORTANT INFORMATION ⚠

- To prevent rusting, store indoors during the winter and inclement weather conditions.
- Remove your gazing globe (not included) from the stand during windy conditions.
- Do not bend the metal.

Any modification to the product or failure to follow recommended care will void the product warranty.
